**IV. School Safety Plan**

- a. Overview of the school safety plan
  - i. The School Safety Plan shares information on the safety procedures and policies we have in place. Pathways Academy is an independent study program and students do not come to a site; however, in the event students are in our care during any disaster i.e. earthquakes, fire, natural disaster, harmful threat, our school personnel will follow the safety protocol and procedures of the facility they are visiting.
    - 1. In the event of an emergency, staff will also follow the safety procedures of the facility they are visiting.

**VI. Uniform Complaint Procedures**

- a. The UCP is a process for filing a written statement concerning a violation for issues such as discrimination, harassment, intimidation, bullying, lack of access to instructional materials.
- b. [UCP Policy and Complaint Form](#) link
  - i. You can also find a link to the complaint form on the school website.

**VII. IXL Assessment Implementation - Jeremy**

- a. ELPAC Initial assessments have started up.

- i. With the state of California now updating TOMS for all Schools, Pathways Academy has started its process for bringing in all identified EL students without a prior ELPAC score for the state.
- b. IXL Diagnostic Tool introduction into the school environment.
  - i. IXL is an educational suite of tools for allowing schools to generate student educational benchmarks to better enable targeted instruction to fill instruction gaps. It also includes customized lesson plans and a library of lessons meant to better help student instruction.
- c. How can IXL impact our outcomes in the state assessments?
  - i. IXL's diagnostic being modeled after the California Common Core Standards means the areas of need identified for each student will allow us to target those gaps in a student's education.
